OCTOBER 18, 2019

The **California Preservation Awards** are a statewide hallmark, recognizing the absolute best in historic preservation. The awards ceremony includes the presentation of the Preservation Design Awards and the President's Awards, bringing together hundreds of people each year to share and celebrate excellence.

Sponsorship highlights your commitment to protecting and preserving our shared heritage. All proceeds from the event support the California Preservation Foundation's statewide education and advocacy programs.

The **California Preservation Foundation** (CPF) is a network of more than 18,000 members and supporters from across California and around the world, who work to protect our irreplaceable architectural and cultural heritage. CPF is a leader in preservation education and advocacy, annually training more than 1,500 people and responding to hundreds of requests for assistance. Sponsors help to fund our work throughout the year, and receive significant visibility during and after the California Preservation Awards ceremony.
