

REFRAMING PRESERVATION: LEADING FROM THE WEST COAST JUNE 8–10, 2021

SPONSOR AND ADVERTISER DIRECTORY

The 2021 California Preservation Conference is made possible by the generous support of dozens of individuals and organizations who provide financial support, in-kind services and countless volunteer hours.

We thank each of them for supporting the slate of programs for our event this year. CPF relies on our sponsors to keep registration fees affordable and ensure the broadest participation possible across the country and worldwide. Their funding also helps CPF develop valuable, relevant programming that highlights new methodologies, techniques, and processes in historic preservation and conservation.

**To those Sponsors and Committee Members who helped support our work,
we thank you.**

**Chatten-Brown,
Carstens
& Minter LLP**

Chatten-Brown, Carstens & Minter is a public interest oriented law firm specializing in environmental and land use law. We are strongly committed to the preservation of California's important historic resources through the enforcement of California's bedrock environmental law, CEQA, and other state, federal and local historic preservation laws. This network of laws provides necessary protection of California's vast and diverse history.
