## 20,000 in 2021

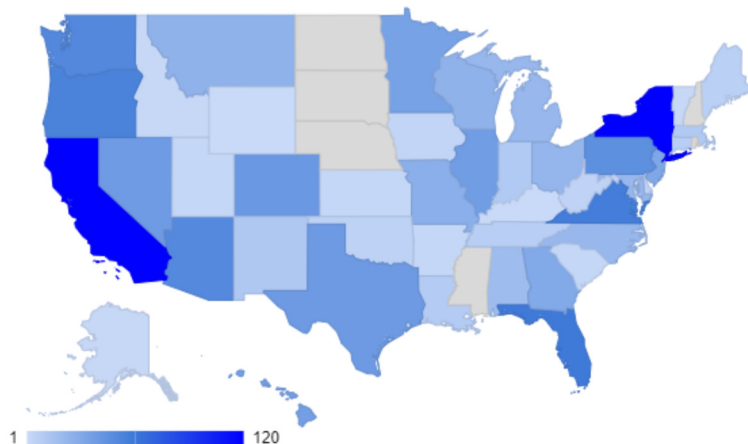

**We provide education to create informed advocates across the state**

We have educated preservation professionals and local advocates for over 40 years, training more than 1,500 people annually. Our conference is the West Coast's largest and most respected preservation event, bringing together more than 500 people to learn and share best practices.

**We celebrate California's history and recognize excellence in preservation**

We promote the state's irreplaceable history with tours of uniquely Californian sites not typically seen by the general public, from a behind the scenes look at a historic cemetery to a tour of a potential National Heritage area. Our prestigious Preservation Design Awards are a statewide hallmark, recognizing the best in historic preservation.
